## CHARGE IT

Did you know that you may charge your fuel oil and service purchases automatically? All you have to do is supply us with a MasterCard or Visa number and expiration date. After each delivery we will charge the balance due on your credit card. A growing number of our customers find this a great way to increase frequent flyer miles and other credit card rewards. You will still receive a copy of the delivery ticket and service invoices for your records. You still have the right to question charges made.

If you would like to automatically charge your fuel oil deliveries and/or service contract/service charges on your Visa or MasterCard, please complete the information requested below with your signature and return it with the remittance portion of your invoice (if available). If you prefer, you may also charge your order by calling us at 631-728-1066 or fax us at 631-728-1233.
